Reference of Florida Administrative Code (FAC) Copied from:

CHAPTER 64E-6, FAC STANDARDS FOR ONSITE SEWAGE TREATMENT AND DISPOSAL SYSTEMS:

64E-6.009 FAC Alternative Systems. (7) In-ground Nitrogen-reducing Biofilters (INRB). Final installation approval shall not be granted until the DOH county health department has confirmed that the property owner has executed and recorded in the public property records at the county courthouse, a written notice that informs all subsequent property owners of the use of the nitrogen-reducing media onsite system that may require special repair or maintenance procedures. The notice shall include the department's construction permit number for the system, and that additional information may be obtained by contacting the DOH county health department.

Property Owner: _____
