Notice

Address _____

Parcel ID#_____

The above referenced property is serviced by an onsite sewage treatment and disposal system that incorporates and in-ground nitrogen reducing biofilter (INRB). This type of alternative system is also known as “nitrogen-reducing media onsite system”.

Pursuant to Rule 62-6.009(7)(g), Florida Administrative Code:

- The use of a nitrogen-reducing media onsite system may require special repair or maintenance procedures as provided in Chapter 62-6, Florida Administrative Code.
- The Florida Department of Environmental Protection permit number for the system is _____.
- Additional information may be obtained by contacting Florida Department of Environmental Protection Onsite Sewage Program.
- This notice must be recorded in the public property records at the county courthouse. Provide copy of this document with recording stamp to DEP once recorded.
